

SEPTEMBER 2006 **PRESS RELEASE**

**GLOBAL TOTAL OFFICE NOW SHOWING AT IIDEX 2006 - 'WIND™' LOUNGE SEATING'**

**MARKET APPLICATION**

'In-office' lounge seating applications as well as general office, reception, meeting and waiting area seating.

**DESIGN + INNOVATION**

Wind is a contemporary update of the classic 'tuxedo' that sits atop a polished chrome tubular base to provide a lighter and more graceful interpretation of this timeless sofa chair. The proportions and footprint have been scaled down for today's smaller spaces without sacrificing comfort. Wind's reduced scale makes it suitable for executive 'in office' lounge applications as well as general office, informal meeting areas, reception and waiting areas. Also available in a matching two seater and companion end tables. Very competitively priced.
