Granada's exceptional seating line includes push button operation. A technology that allows you to control the adjustment of your chair with the push of a button. Button controls are user friendly, conveniently located and easy to reach. This makes users more likely to adjust their chairs and takes ergonomics to the next level.

Push button models are available in Synchro-Tilter, Tilter, Task and Posture Task models with plain or detailed backs.

**SCHUKRA**

Schukra® is a registered trade mark of SCHUKRA® Manufacturing Inc.

An easily adjustable lumbar support allows users to choose their desired level of comfort throughout the day. By supporting the upper body, SCHUKRA lumbar adjustment helps to alleviate neck and shoulder tension. An easy to use handle on the chair back increases and decreases the curvature of the lumbar support for desired level of comfort.
