

ZIRA

INDEX & FINISH GUIDE

Notes

- Panel end style with top over side panel design. Tops available in 1" or 1½".
- Over 5300 different standard components available.
- 3mm matching edges surround all tops, end panels, drawers and door fronts.
- Choice of Top/edge style: 1" tops available with 3mm or bicut edge, 1½" available with 3mm, bicut or fluted edge.
- Compatible with GPS II, e0+ and Divide partitioning systems for increased privacy and storage requirements.
- ZIRA dimensionally compatible with Adaptabilities and Correlation lines.
- Laminate full modesty panel is standard. ¾ modesty panel available on most models at no additional charge, please specify "34".
- Box drawers mounted on ¾ extension premium ball bearing slides.
- File drawers mounted on premium full extension progressive ball bearing slides. Drawers accommodate letter and legal hanging file folders.
- Locks are standard on all units. Locks available in Black (BK) or Silver (SI) finish, must specify. Locks on aluminum door match door frame and handles. Brass handle will have a black lock and nickel handle will have a silver lock. Virtually no loose hardware.
- All lateral files feature a foolproof interlock device.
- Desk drawers open with side pulls and feature a French dovetail joint in front, lap joint in back.
- Pulls are available for Desks at an upcharge. All other drawers/storage feature built-in pulls available in 9 different styles.
- Models with monopost are standard with 4" square monopost. Optional 5" round and 4" round monopost available at no upcharge.
- Monopost available in silver or black finish.
- Shipped assembled, 1 per carton, unless otherwise noted.
- Levelling glides are standard on all floor units.
- ZIRA desk and storage products have been tested and comply with all mechanical tests. See page 9 (Global Total Office Price List) for further details.
- GREENGUARD INDOOR AIR QUALITY CERTIFICATION
- Customer specified printer slots available in all worksurfaces. Contact Global Customer Care for pricing.
- Front-to-back filing bars for all steel drawer files available separately. Order FBB file bars. See page 273 (Global Total Office Price List) for pricing.
- High Pressure Tops are available in all ZIRA laminate finishes at an extended lead time please see model # for pricing.
- Surfaces constructed of 45 lb. density particleboard substructure with high performance thermally fused laminate.
- Proprietary Global laminates with 324 standard colour combinations.
- 75 lb. box 150 lb. file drawer weight capacity with full extension slides.
- File drawers can accommodate legal or letter documents.
- Triple progressive ball bearing suspension on file drawers.
- All drawers locking unless otherwise noted.
- Key alike available. See customer service.
- All units with box drawers 15" and 16" wide include one pencil tray per unit.
- Option to remove standard grommet (RSG) is available at an upcharge. Add \$31.00.
