

# Adaptabilities<sup>®</sup>

Freedom to design unique workspaces

# Adaptabilities® Management Office

Whether a workplace calls for individual use, teaming or hotelling, Adaptabilities offers the range of mix and match modular components, in a choice of 169 standard color combinations - from rich traditional mahogany to contemporary solids. Progressively designed and functional bow front desks are complemented by attractive cabinetry and credenza options.

Pigeon Hole Storage

All surfaces are constructed from Global's exclusive premium grade, high-performance laminates and finished in 3 mm thick matching edges. Factory installed metal-to-metal connectors make assembly extremely fast and easy and ensure problem-free installations. The connectors facilitate unlimited reconfiguration and allow Global to warrant the product.

Adaptabilities®

Management Office

When planning your office with the versatile Adaptabilities, co-ordination of design and function is evident. Adaptabilities meets your needs – from reception areas to management offices.

Adaptabilities®

# Professional Workstation

Adaptabilities offers complete flexibility with over 400 different, dimensionally accurate components that are sized in six inch increments enabling space design to easily conform to office size requirements. Hutches and end shelves provide functional and attractive storage options and create visual privacy.

## Adaptabilities® Open Office

Adaptabilities®

# Learning Cluster

Curvilinear worksurfaces can create a contemporary and productive environment. If a work space is required for individual use, teaming or hotelling, Adaptabilities offers a spectrum of mix and match components to meet any design specification. Optional eO: panels can be added to provide economical, acoustical and visual privacy between workstations.

Adaptabilities®

# Boardroom/ Conference

Adaptabilities raises the standard of quality in executive workspaces with a broad range of attractive boardroom and management applications.

Serving carts, audio visual cabinets, easy to clean magnetic white boards, flip charts and cork boards support today's multi-media boardroom requirements.

Bold 1½" thick conference table tops lend an ambiance of strength to each meeting.

# Adaptabilities® Filing

All laminate filing cabinets have a safety mechanism that prevents two drawers from being opened at the same time. File drawers have fully progressive ball bearing suspensions and accommodate letter, legal and metric filing - side to side or front to back.

Steel Drawer  
Lateral Files  
(Optional)

For heavy duty usage, two, three and four drawer files are available with steel-sided interiors.

Electrical and data wiring easily passes through Adaptabilities notched end panels, grommets and flexible wire ways in hutches.
