

Nutcracker™

A great place to meet

The nutcracker transforms any meeting room into a working presentation room

Large or Small Meetings

Side table inserts to provide additional space for large meeting groups. Remove the side table and close the table for smaller meetings.

Teleconferencing and Training

Open "V" configuration permits each participant to be viewed by the camera during a teleconference. For training uses, the open "V" provides a clear view for both the trainee and instructor.

Technological Support

A worksurface wire management hub provides optional power and network capability.

Hub Grommet

Permits access from worksurface through drum to floor electrical and data outlets

Electrical / Communication Hub

Provides two electrical and two data outlets at worksurface

Grommet

Permits access through worksurface to wire management channels and into drum base

Power Blocks

Provides two electrical and two data outlets at the worksurface
