Elegant executive seating with the Obusforme advantage

OBUSFORME Executive offers the same design technology of the successful OBUSFORME chair. It features stylish contoured loop arms, an optional "9S" height adjustable Boomerang shaped arm, very generous proportions in seats and backs and extra foam for enhanced comfort. This leather series is also available in two distinctive stitch patterns.

4635 - Medium Back Armchair

4642 - Medium Back Knee-Tilter

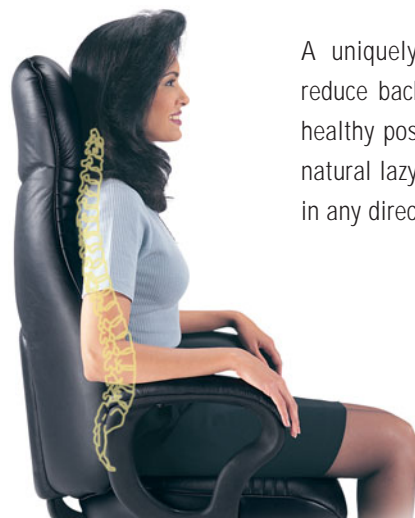

4630 - High Back Knee-Tilter

Complement your boardroom with OBUSFORME Executive

Table shown is Adaptabilities featured in Avant Cherry

natural 'S' curve

A uniquely shaped polycarbonate back frame helps reduce back strain by guiding your back into a correct, healthy posture. The backrest continuously supports the natural lazy 'S' curve of your spine, flexing as you move in any direction.

Optional Aluminum polished base with protective end caps adds an elegant distinction to your seating.

Optional "9S" Boomerang shaped arm is a height adjustable arm featuring soft touch, durable self-skinned urethane armcaps.

Headrest on model 4640 provides extra neck support that can be positioned for the individual user.

The shrouded mechanism, fully upholstered back and self-skinned urethane back upright add character and style.
